

offered does not suit the grower.

Now, Mr. Editor, if there are any farmers who desire stock in this seemingly profitable business we are ready and glad to issue same.

We are very anxious that all members of the Union own one share, at least, of our stock. We propose to conduct our business on the same plan that has been in operation in this house for the past year, with such improvements as a progressive age may demand.

I will say in conclusion that I shall be found in person at the Randolph Warehouse after October 1st, ready to serve the public, and at all times ready to give further information to "Tobacco Growers" when wanted. If the writers of the foregoing letter have anything better to offer let them come forth and lead the farmers movement on to victory. Now, Mr. Editor, if they be among those who like Sanballat of old, sought to destroy in the night time what faithful Nehemiah built in the day, I pray the good Lord that they may repent of their sins before it is eternally too late and cast their lot with all those who are laboring for the success of the farmers of this great country.

E. T. Bondurant.

#### The Road to Success

has many obstructions, but none so desperate as poor health. Success today demands health, but Electric Bitters is the greatest health builder the world has ever known. It compels perfect action of stomach, liver, kidneys, bowels, purifies and enriches the blood, and tones and invigorates the whole system. Vigorous body and keen brain follow their use. You can't afford to slight Electric Bitters if weak, run-down or sickly. Only 50c. Guaranteed by White & Co.

We are especially glad to have beginners enter the CONSERVATORY, as they possess none of the bad habits so easily formed by indifferent teaching; they receive more readily the correct principles, and make rapid progress, not having to unlearn bad habits.

#### Testifies After Four Years.

Carlisle Center, N. Y., G. B. Burhans, writes: "About four years ago I wrote you that I had been entirely cured of kidney trouble by taking two bottles of Foley's Kidney Remedy, and after four years I am again pleased to state that I have never had any return of those symptoms, and I am evidently cured to stay cured." Foley's Kidney Remedy will do the same for you. Sold by all druggists.

Dyspepsia is our national ailment. Burdock Blood Bitters is the national cure for it. It strengthens stomach membranes, promotes flow of digestive juices, purifies the blood, builds you up.

## Creamery Swing Churn.

TREDWAY, VA., May 21, 1909.

Messrs. H. E. Barrow & Co.—

Dear Sirs: In regard to the Creamery Swing Churn I must say it is the best pattern I have ever seen. I have sold butter to the hotels in your town for four years, have had right much experience in churning. I thought I had a good pattern though I had to churn sometimes for two hours, and now my son, 9 years old, can churn in 20 minutes, besides there is nothing inside to be washed, it is just what a nice churn should be. I think every house wife should have one. During one week's use this churn made 2 pounds more butter than my other churn did during the same length of time.

With best wishes, I am

Your friend,  
Mrs. W. A. SOUTHALL.

P. S.—I hope you will have this published in the Farmville Herald. I think it would interest some of its readers especially those interested in dairying.
